

Accessible Computer Security

Research Study

Our research team at UW-Madison is looking for **adults with Intellectual and Developmental Disabilities (IDD)** who want to join a security and privacy study. You will be asked a few questions about your online experiences and then asked to interact with a set of common security notifications.

STUDY INFORMATION

YOU MUST BE:

- A person with an IDD.
- 18 years old or older.
- A USA resident.
- Able to communicate feedback on your experience verbally or through other means, such as an AAC device
- Able to participate in a 1-hour session.

Duration: 1 hour

Payment: \$20/hour

Location: UW-Madison Computer Sciences Department, or a public library.

Project Principal Investigator:

Dr. Bilge Mutlu:

bilge@cs.wisc.edu

Dr. Rahul Chatterjee:
